Addressing COVID-19

Here at Saratoga Dermatology, your safety and well-being are our top priority. Please know that we are taking all necessary measures and precautions to protect our patients and staff from the increased concerns of exposure to Human Coronavirus (COVID-19).

We ask that you join us in this effort by rescheduling your appointment if you are exhibiting symptoms such as a high fever, cough, sore throat, muscle pain, nausea, diarrhea or exhaustion. Please feel confident that our staff will make every effort to assist in rescheduling appointments within an acceptable time frame.

We greatly appreciate your cooperation with this important matter.
